) TARIFF

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of BellSouth Telecommunications, Inc. (BellSouth or the Company) for approval of revisions to its General Subscriber Service Tariff. The purpose of the filing is to include in the tariff the negotiated terms, rates, and conditions for Interconnection Services for Commercial Mobile Radio Service (CMRS) Providers.

After notice by the Commission's Executive Director, the South Carolina Telephone Coalition intervened, and Cellco Partnership DBA Bell Atlantic NYNEX Mobile petitioned to Intervene Out-of-Time. This was granted pursuant to Order No. 96-186 on March 13, 1996. Subsequently, both Intervenor ask that the Commission allow them to withdraw intervention in this matter.

The Commission has examined this, and believes that the requests to withdraw intervention should be granted. Further, the Commission believes that the tariff should be approved as filed,
